Re: Riverfest

Dear Sgt. Lewton and PS Krauser

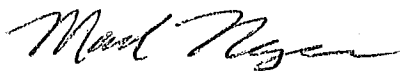

I am writing to express our sincere thanks for your assistance and support with Riverfest again this year. Having the streets open in downtown really helped us operationally. It is only with the assistance of the Cincinnati Police Department that we are able to provide a valuable, efficient service to our passengers during this day of many challenges.

Again, we appreciate and value the working relationship we have established with you and the Cincinnati Police Department. Should you need anything from us, please let us know.

Sincerely,

RE: Performance of Police Officers Blank and Grant

Dear Chief Blackwell:

On the afternoon of June 18, 2014, my father Elmer Ehrhardt, aged 98 years, announced to his wife Josephine, that he felt compelled to leave their residence of 62 years at \_\_\_\_\_ Place in Mount Lookout, and travel to an unspecified destination.

Unable to dissuade my father from acting out on his intention, and observing that he did in fact start the family car, and although not having driven for several years, and did drive away from the residence, my mother immediately called 911 and reported the circumstances of the situation. A "Be On Lookout For" broadcast was gotten out to Cincinnati Police, and regional departments.

Cincinnati Police District 2 officers Barney Blank and Sargent Grant were assigned to investigate the matter.

Officer Blank went to the residence and obtained additional information from my mother and conveyed it to other personnel and agencies involved in the search for my father. Sargent Grant coordinated additional activities. Officer Blank remained with my mother at the residence to relay information received from the field, and generally offered much needed support to her.

Several hours later, authorities in Northern Kentucky reported locating my father in the car, travelling south on I-75 in the vicinity of Florence Kentucky.

Officer Blank, accompanied by a neighbor of my parents, then travelled to Kentucky to retrieve my father and the family car from the local authorities.

Following discussion with my mother and Kentucky authorities, officer Blank recommended that he transport my father to the UCMC- Deaconess Mental Health Unit for evaluation. Officer Blank then did transport my father to that facility.

Page 2.

My father now is in residence in a facility where he is free to enjoy all activities available to him, but cannot leave unaccompanied.

This event held the potential to result in accident and/or injury to my father and possibly others. The fact that it did not I attribute to the prompt, effective response of the Cincinnati Police Department, and its regional corresponding agencies, -- and especially to the performance of District 2 Officers Blank and Grant, whose excellent efforts greatly facilitated in bringing this matter to a safe and prompt conclusion for all concerned.

On behalf of my parents, Elmer and Josephine Ehrhardt, and myself, I ask that you convey our thanks and appreciation to Officers Blank and Grant for their assistance, support and service rendered in this matter.

Cordially Yours,

I Just wanted to say thank you to officer Cary Jodice. I had a flat tire on the 6<sup>th</sup> St. construction on my way to work. Officer Jodice stopped to help me and called a road side service to help me. He stayed with me until my car was fixed and even told me to take my tire back to Sams and they would fix it at no cost to me. I wanted to let someone know what a great job he did.

Thank You,

Paula Gallo-Knight

Dear Chief Blackwell,

I was rear-ended August 21<sup>st</sup> at about 3:45 PM and Officer Jeff Van Horn (Badge # 940) responded. Not only was he professional, he was very kind to both myself and the other gentleman involved. I felt badly for having to cite the other driver, but Officer Jeff stated, "When we die, no one will care how many times we've been cited."

We live in a litigious world. We live in a world where the police are viewed by some as the "bad guy". I don't happen to believe this. For people who happen to subscribe to these points of view, they haven't met the likes of Officer Van Horn. He is a credit to the department and I thought you'd like to know the caliber of police officer you have in the field.

Sincerely,

Lynn Herman

Hello Chief Blackwell,

My name is Eddie Postel. I am the son of Edward Allen Postel (retired patrolman for the CPD). I am writing you a note of thanks for what the Police Motor Coach meant to me and my family at my dad's funeral. My dad passed away after a tough battle with cancer at the age of 73. He retired from the police force when he was 52 and I was still in high school (the youngest of 4 children), so his time on the Force seemed "distant" from today. However, all of our lives were impacted by his time on the force. When they took away a policeman's right to demand respect from those he encountered, my dad's love of the job faded...it wore on him and therefore his family. All that crossed paths with my dad benefited from his kind heart, extremely hard work ethic, toughness and his "gift of gab".

When he retired, he became a new man. He loved spending time with his children and grandchildren. It seems like a long time ago that he was a cop. But in the darkest of times after his passing, there were his "brothers", the FOP – showing up in full force to show their respect and love for my dad. The outpouring of support from this group, so long removed but forever impactful on my dad was overwhelming. Please know that I can never put into words what the Motor Coach and the folks representing the FOP meant to me and my family (special thanks to Chris Thomas a family friend for a long time). The show of support was amazing and truly is one of the only ways we made it through that week. We were not aware of what the FOP had planned for my dad, so the support and their actions were a pleasant surprise. I cannot express enough appreciation.

On behalf of my entire family, thank you for your support and for understanding that my family can never express our gratitude for your presence and participation in the celebration of my father's life.

Forever grateful – the Postel family

*Thank the police motorcycle escort for us personally  
please, they were the greatest.*
